

WHY TAYLOR JANIS?

TJ Law Group is a regional group of boutique law firms and brands each with their own specific focus area: Employment Law and Severance, Immigration and Citizenship, Separation and Divorce, Estate Planning and Dispute Resolution, and Serious Personal Injury matters.

Our group only hires lawyers who are committed to and experienced in the above-listed areas of law. We represent clients throughout Western Canada.

The immigration team at Taylor Janis is constituted of licensed lawyers, regulated Canadian immigration consultants, and technical staff. We provide services in English, Mandarin, Punjabi, and Hindi.

Immigration issues, processes and requirements for immigration in Canada can get very complex and involve many other aspects of laws. We are dedicated to providing the best possible service to all of our clients.
